Pre-NDIS Services and Consultation Rates

Navigating the NDIS can be incredibly challenging and overwhelming. At Parkinson's SA we are proud to offer our assistance with helping clients with 'getting on' the NDIS, as well as preparing for their planning meeting.

NDIS Application Assistance

Our NDIS Application Support involves 1 hours and 45 minutes of assessment, followed by a comprehensive report for the purpose of an NDIS application:

- Clinic-based (Unley or Woodville): \$150
- Home-based (within 30 minutes travel of Unley or Woodville): \$200

Please note, our NDIS application support involves a fixed set of assessments and a standardised report, for additional assessments, reports or travel, additional fees may apply.

NDIS Pre-planning support

Our pre-planning Support involves 1 hour of goal setting and identifying support needs in preparation for an NDIS planning meeting.

- Clinic-based (Unley or Woodville): \$50

Fees and Payments

National Disability Insurance Scheme (NDIS)

THRFG Parkinson's and Stroke are able to provide supports for plan-managed and self-managed NDIS participants. Please inform your therapist if you or the person you represent have an NDIS plan prior to your first appointment. At your first appointment you will be required to sign a service agreement in accordance with NDIS guidelines. For more information visit the [National Disability Insurance Scheme](#).

My Aged Care

Individuals with a Home Care Package included in their My Aged Care Plan have the ability to use some of these funds to access allied health services, including Occupational Therapy, Speech Pathology and Counselling. The use of funds for allied health services will need to be discussed with your Aged Care Provider. THRFG Parkinson's and Stroke are able to provide services to individuals with a Home Care Package. For more information visit [My Aged Care](#).

Medicare

THRFG Parkinson's and Stroke are able to provide speech pathology and occupational therapy services for people referred under a *Chronic Disease Management Plan* (MBS Code 10958) and a *Mental Health Care Plan* (MBS Code 80135 – Occupational therapy only). These plans are arranged by your GP and entitle you respectively to five and ten allied health appointments per calendar year, with a rebate of \$56.00 and \$79.05 respectively. You will need to pay the full cost of the assessment upfront via EFTPOS or invoice before being able to access the rebate. At the completion of the final session, your therapist will write a completion summary back to the referring practitioner. For more information visit [Chronic Disease Management](#) or [Better Access to Mental Health](#). Gap fees apply.

Private Health Insurance

Many private health funds cover allied health services, including occupational therapy, speech pathology and counselling. Please contact your individual fund to check your eligibility and rebate amount. Gap fees apply.
