## Would you like to subscribe as a Champion with THRF Group - Parkinson's?

As a Parkinson's Champion you are subscribing to support our mission to maximise choice, independence and wellbeing for people affected by Parkinson's or another movement disorder through support, education and advocacy.

Parkinson's Champions help us to advocate in a greater capacity to ensure people with Parkinson's have every opportunity to live well, now and through the progression of their journey with Parkinson's.

Subscribing as a Parkinson's Champion ensures you are kept up to date with the latest in Parkinson's research and technological advances, and importantly makes sure that you are the first to hear about new supports, therapies, and trials that you may wish to participate in.

### Your Championship subscription provides benefits such as:

- counselling
- education seminars
- support group access
- recreational and specialised groups
- subscription access to the Parkinson's resource library to borrow books
- trial adaptive technology resources
- savings on the costs of seminars
- discount admission fees to some of the special events held throughout the year including conferences, movie nights and fundraisers.

1. Championship is activated when we receive from you a completed payment slip attached.
2. Subscription is renewable annually, with subscription being valid from 1 July – 30 June of the following year.
3. All subscriptions fall due for renewal as of 1 July annually, regardless of subscription start date.
4. Subscription fees are to be paid annually.
5. A subscription renewal reminder will be sent to you prior to 30 June annually.
6. There is no refund of any subscription fees should you cancel your subscription at any stage during your subscription year.
7. Changes to fees will only be made at the time of annual renewal of your subscription.
8. Championships are transferable to spouses in the case of member passing.
9. You must notify us of changes to your contact details.
10. We reserve the right to change, from time to time, the services available to champions.
